300

Vessel Walkthrough

As you enter the saloon through the double sliding doors and double sliding custom teak screen doors, there is a large L-settee on port with a hi-lo dining table. The starboard side has a large entertainment center that houses a SAT TV receiver, Harmon/Kardon stereo with surround sound, TV, DVD, etc. Two large swivel barrel chairs are on either side.

Forward of the saloon is a U-shaped galley. There are Corian counters, a double polished stainless steel sink, propane range, Grunert holding plate refrigeration and corner freezer plus a teak cabinet enclosing a SubZero refrigerator with built-in ice-maker and bar.

The lower helm is opposite the galley with helm side door.

Down three steps to the companionway is a guest stateroom on port with two athwart ship twin berths. The guest head with separate stall shower is directly across on starboard.

Forward is the master stateroom with island queen berth, vanity, large hanging locker and large bureau. There is an ensuite head with separate stall shower.

There is a separate washer and dryer and additional ice-maker in the utility lazarette aft of the engine room entrance.

Galley

- Corian countertop
- Subzero refrigerator w/ice-maker
- Grunert holding plate refrigerator with temperature gauge
- Grunert holding plate corner reach-in freezer with temperature gauge
- Double stainless steel sink
