## **Dimensions**

Displacement:  
62000

## **Engines**

Total Power: 1300  
>Cruising Speed: 33  
>Max Speed: 38

## **Tanks**

Fuel: 1200  
>Fresh Water: 200  
>Holding: 50

## **Salon**

The wide beam carries well aft and affords a cordial and surprisingly spacious salon replete with professionally designed upholstery, window treatments and drapery. Indirect and overhead lighting create a personal touch for entertaining and relaxing, while air conditioning gently flows from behind the valances to maximize comfort while minimizing noise and drafts. An L-shaped lounge to port is the ideal spot to relax after a day scouring drop-offs and weed lines. Convenient stowage below accommodates pillows, shams and other bulky accessories. To starboard, behind beautifully hand-finished teak joinery capped with bull-nose molding, is the Viking home theatre audio/visual system with a 27-inch JVC color television.

- High-gloss dinette table
- U-shaped dinette seating
- KVH Tracvision system
- JVC color television with DVD player and complete entertainment center
- JVC stereo receiver, DVD changer and VHS VCR with surround sound
- L-shaped leather settee
- High-gloss high/low teak table
- Recessed overhead halogen lighting
- Custom Hunter Douglas blinds
- Tan carpet with carpet runners
- Teak sole in entryway
- High-gloss cabinetry throughout
- A/C ship service panel
- 24 V ship service panel
- Onan generator remote control
- Satellite TV control
- Central vacuum system
- Kenmore over and under washer dryer to starboard of steps from salon

## **Galley**

The U-shaped galley, lined with solid surface countertops, fiddle rail, sink and resilient flooring, is a model of practicality for seagoing families. Meal prep is easy thanks to considerable stowage behind lustrous teak joinery, concealed appliances and large capacity under-counter deep-drawer refrigeration. Opposite the galley, the dinette accommodates four comfortably and there is more

stowage space beneath the settee. Large, frameless windows let in plenty of natural light.

- Two Sub Zero 700 PF freezer drawers
- Two Sub Zero 700 BR refrigerator drawers
- High-gloss cabinetry throughout
- Sharp Carousel convection microwave
- Pullout dish drawers
- Grohe faucet
- Kitchen Aid instant hot water
- Kenyan three burner flat top electric stove recessed into solid surface counter
- Teak sole
- Recessed overhead halogen lighting
- Custom Hunter Douglas blinds
- Solid surface counter top and sink

### **Master Stateroom**

The offset companionway maximizes interior space and privacy in the posh three-stateroom layout. In the master stateroom to port, there is a queen-size walk-around berth that lifts to access major stowage. Teak night tables flank the upholstered headboard. The hull side is lined with a built-in credenza that demonstrates Viking's craftsmanship and attention to detail. And when you nestle in after a pleasant day on the fishing grounds, you can enjoy a relaxing evening watching television or listening to music.

- Fore and aft Queen-size island bed
- High-gloss cabinetry throughout
- Bedside tables with drawers and lamps
- Recessed halogen overhead lighting
- Sony stereo CD
- Air-conditioning controls
- Generous storage throughout
- Large cedar hanging locker
- AV stereo Speaker system
- Flush mounted Sharp LC 2082 flatscreen television
- Chest of drawers
- Private access to master head
- Opening hatch with screen and shade

### **Master Head**

- Grohe faucet
- Mirrored medicine chest
- Recessed halogen lighting overhead
- Bi-fold glass shower door
- Teak sole
- Vacuflush head
- Grohe shower nozzle
- Fiberglass shower with seat
- Generous storage below sink

### **Guest Stateroom - Forward**

The forward guest stateroom features upper and lower berths, and the generous beam allows an expanded lower berth a very nice touch. The guest head features private access from both guest staterooms and can also be reached from the companionway to serve day guests.

- Sony stereo system with CD changer
- High-gloss cabinetry throughout
- Cedar hanging locker
- Tan carpeting
- Over and under berths
- Generous storage
- Sharp Aquos flat screen television
- Opening Hatch with screen and shade
- Recessed overhead halogen lighting
- Air-conditioning control

### **Guest Stateroom - Starboard**

Sleeping accommodations in the starboard stateroom also are upper and lower berths. Again, thanks to the beam, this cabin is especially roomy and highlights Viking's commitment to thoughtful design. An alcove adjoining this stateroom conceals a washer and dryer, while the central vacuum system nests in the companionway steps.

- Over and under berths
- Opening Hatch with screen and shade
- High-gloss cabinetry throughout
- Dedicated air-conditioning control
- Cedar hanging closet
- Tan carpeting
- Recessed overhead halogen lighting
- Door to guest head

### **Guest Head**

- Vacuflush toilet
- Teak sole
- High-gloss cabinetry throughout
- Doors to central hallway, forward stateroom and starboard guest stateroom
- Vanity with mirrored medicine cabinet
- Recessed halogen lighting throughout
- Bi-fold shower door
- Fiberglass shower
- Grohe shower nozzle
- Grohe faucet at sink
- Generous storage below sink

### **Cockpit**

Serious fishermen rave about the cockpit. Its uncluttered look neatly hides built-in features like gaff and tagging stick racks and more than enough bait and tackle stowage to campaign the tournament trail for a season. The 145-square-foot cockpit levels the playing field when seeking the wildest billfish.

Experienced anglers will appreciate subtle amenities like the extended flying bridge deck that shades the cockpit and the nonskid on the fiberglass sole. The console molded into the aft bulkhead houses a bait freezer, a rigging station, a tackle locker and provides engine room access. A step cooler and transom cooler keep the crew refreshed without missing any action. A 4'7" long recessed fish well is framed by a 40 gallon ice well to starboard and a 40 gallon live well to port.

- Bait freezer to port
- Bait prep station with cutting board
- Five drawer tackle center
- Door to engine room
- Four gunwale-mounted rod holders
- Release Marine fighting chair
- Six Rod holders mounted in house wings
- Nonskid deck
- Freshwater washdown
- Raw water washdown
- Gaff and tag stick storage to port
- Glendinning 50 amp shore power connection to starboard
- Television and phone connection to starboard
- Transom door with gate
- Deck mounted icebox to starboard
- Large fish box on centerline
- Live bait well to port
- Fish box or cooler in transom
- Two large stainless steel cleats and stainless steel hawse pipes
- Powder-coated aluminum ladder to bridge

### **Foredeck**

- Three Bomar opening hatches
- One-piece welded aluminum bow rail
- Two large stainless steel cleats with stainless steel chocks forward
- Two large stainless steel cleats for spring lines
- Waste pump out to port
- Water tank filled port
- Diesel fuel fills to starboard
- Switlik six person life raft in cradle
- Simpson Lawrence windlass with foot controls
- Twin remote control spotlights mounted on hard top
- Rupp triple spreader outriggers

### **Engine Room**

The engine room aboard your Viking 52 is easily accessed, very spacious and well organized. Brightly lit and painted high-gloss white throughout, it makes maintenance simple.

- Digital tachs
- Analog engine oil and water temperature gauges
- Fire extinguisher starboard
- Two steps into engine room

- Engine intakes with crash pumps
- Dripless shaft seals
- Onan generator with sound shield
- Fixed-mount fire suppression system
- Delta T-mist eliminators
- Eskimo ice machine 600lb per day
- 24 ship service breakers and switches
- Dual Racor fuel/water separating filters
- Reverso oil change system
- Sea star pressurized power steering system
- Overhead lighting
- Spare props in lazarette

### **Flybridge**

An athwartships powder-coated aluminum ladder leads to the flying bridge. Topside, power-assisted hydraulic steering delivers lightning-fast response and hydraulic controls operate effortlessly for rapid transit. Standard features include a Glendinning engine synchronizer, twin adjustable pedestal seats, recessed electronic stowage in three weather-proof consoles, stereo speakers, an L-shaped lounge ahead of the helm and a starboard bench with an aft facing jump seat. Visibility is superb for fishing and navigation.

- Two 12 inch Furuno Navnet displays color chart plotter, color fish finder, and 64 mile radar
- Northstar 962 chart plotter
- Northstar 952x chart plotter
- Simrad AP20 autopilot
- Twin ICOM IC-M502 VHF's with SB 24 speaker
- Recessed VDO engine gauges
- MAN Marine diesel engine alarm panels
- Trolling valves and engine synchronizer
- Helm pod
- Stainless steel wheel
- Single lever engine controls
- Ritchie compass
- Fiberglass hardtop
- Recessed lighting overhead
- Large chart table
- Clarion CD player
- Powder-coated aluminum rail with six rod holders
- R halogen deck lighting in hardtop
- Generous seating with rod storage
- Isinglass with top vents
- Cooler mounted in seat
- Release Marine helm chairs
