Engine Hours: 470

Engine(s) Total Power: 825 HP

## **Tankage**

Fuel: 330 gallon

Water: 50 gallon

## **JUPITER 38 FS**

The Jupiter 38' Tournament, designed for the avid fisherman, includes most of the features of the 38' Forward Seating. Forward, she's all business with a flush sole and large optional insulated "coffin" fishbox.

The Eurostyle motor-well is designed to accommodate either twin or triple outboard installations. A 53 gallon livewell is located in the standard prep center, giving anglers more fishing room in the cockpit. The transom is designed to accommodate a unique fold-out optional stern seat. There are four insulated deck compartments: (2) 104 gallon macerated fish boxes and (2) six foot storage boxes.

All hatches are gasketed and dogged. Port and starboard side lockers offer planned storage for life jackets and safety gear. The bow area is designed for optional concealed windlass and spare anchor storage.

The Jupiter 38' is stylish yet rugged. The wide beam, centerline fuel tanks and ample freeboard aft make this an extremely stable and comfortable boat. Jupiter's dependable, out of this world performance is standard.

## **Console**

Battery storage compartment

- >Compass, high speed
- >Console seat with cushions and handrails
- >Custom steering wheel
- >Drink cooler, insulated, 85 qt.
