The C50 may be slightly more compact than its larger siblings, the C55 and C60, but it lacks nothing in terms of features and luxury appointments. The saloon is stylish and elegant with seating lofted and positioned forward to offer the best possible view of the seascape. Driving and docking is made easy thanks to 360 degree visibility from the leather upholstered Helmsman deluxe seat. And because the galley, bar, saloon and cockpit are all on one level, entertaining flows easily from inside to out.

>Open the throttle, and the C50 powers effortlessly to a cruising speed of 25 knots. And to ensure you enjoy the ride, this show of strength is matched by a long list of creature comforts. The climate-controlled interior provides every

luxury whether you're partying upstairs or enjoying some solitude in the three cabin, two-bathroom sanctuary below. Outdoors, a sleek hardtop extends over the cockpit to create the perfect spot al fresco entertaining including its own bar fridge, while Maritimo's trademark walk-around decks provide easy access to a foredeck sun lounge built for two.
