The Viking Eighty-two Convertible represents another ground breaking design that only Viking can produce thanks to

our in-house design team. Add this invaluable expertise to the thousands of hours racked up by our tournament winning demo program, which helps to dial in the features and performance required to make this yacht a winner. Finally, factor in the skills of more than 1,400 yacht builders that constantly seek ways to build a better boat every day and ladies and gentlemen you have one simply incredible sportfishing yacht.
