<b>Beam:</b>	15.42 feet	<b>Engine Model:</b>	
<b>Draft:</b>		<b>Boat Location:</b>	NJ, United States
<b>Engines:</b>		<b>Engine Model:</b>	

### AVAILABLE FOR IMMEDIATE DELIVERY

>High style and high performance come standard aboard the Princess V58. With unparalleled handling and accommodations to comfortably cruise with six, the V58 will quickly become your favorite weekend retreat.

The deck plan reflects an array of entertaining opportunities. The plush upholstered aft sunbed lifts hydraulically to reveal a spacious garage equipped with a roller system and electric winch for convenient tender stowage and handling. In the cockpit, a U-shaped lounge serves as a seating and dining area with a wet bar opposite that includes a refrigerator, icemaker, sink, and electric grill. The well equipped helm has an array of standard electronics including radar, autopilot, and color GPS chartplotter interfaced for precise navigation. Electronic engine controls deliver crisp response at the touch of a finger while power-assisted hydraulic steering allows unequivocal control in steep seas. The power operated hardtop with cockpit climate control has integrated skylights and opens to let the sun and fresh air in while providing a comfortable, climate-controlled environment in any weather.

Below decks, the spacious salon features a semi-circular sofa with coffee table and a pair of removable stools. Overhead lighting sets the mood while a cocktail cabinet and a sophisticated entertainment system create a relaxing ambiance. The galley to starboard is fully equipped and all appliances remain concealed beneath the lustrous joinery when not in use. The master suite boasts a large double berth, ensuite head and stall shower. The stateroom is large and inviting with ample stowage, opening portlights, dressing table, individual reading lights, and a hanging locker. Forward, guests will enjoy a restful stay in the VIP stateroom with its double berth and ensuite head. A third stateroom to port has twin single berths.

From her sleek lines to her stylish interior and finish, the V58 takes performance cruising to a new level of excellence.

## **Additional Specs, Equipment and Information:**

### **Builder/Designer**

Builder: Princess Yachts International

### **Dimensions**

LOA: 58.92 feet

Beam: 15.42 feet

### **Additional Information**

The perfect place to entertain, the salon is intimate enough for two, and spacious enough for eight.

Hand-finished cherry joinery is featured throughout the salon and galley and plays beautifully off the polished stainless-steel portlights.

The starboard master suite is lavishly decorated with designer materials. A stall shower in the private head is standard Princess' attention to detail.

An aggressive yet tasteful profile with soft, sweeping curves and superb fit and finish aptly describe the V58 Express.
