>An exciting addition to the Princess range, the new 72 Motor Yacht is potent, spacious and luxurious. She promises a breathtaking cruising experience whether simply enjoying a day out on the water or making the most of her long range capabilities.

>She displays all the characteristics that define a Princess; the deep V hull, resin infused for weight reducing efficiency, raised bulwarks and clean flowing lines that epitomize her elegant styling. Her confident seakeeping and assured ride enable the full exploration of her effortless power, demonstrating grace and poise in the open sea.

>The expansive flybridge fulfils its purpose in style; the upper helm provides exceptional visibility and well positioned

controls. When it comes to taking life a little slower the wetbar, barbeque and generous space make life a pleasure with room enough to store the tender or jetski away from the entertaining spaces.

>A contemporary style abounds throughout, with an inspired use of fabrics, luxurious upholstery and stunning finishing. The full width main deck salon creates an impressive area for entertaining with a large dinette and cocktail bar. Sliding doors open up to a well appointed cockpit, perfect for entertaining or casual dining, and the walk-through bow and forward seating makes an ideal area to enjoy a peaceful cocktail.

>The luxurious 72 Motor yacht accommodates up to eight guests extremely comfortably, with additional accommodation for 2 crew. The beautifully designed cabins are light, airy and spacious, with three staterooms and a generous fourth cabin with twin berths side by side. The striking full beam master cabin is vast with a wonderful sense of space, a feeling accentuated by the extensive walk in wardrobe and large en-suite bathroom featuring twin wash basins and shower.

>The Princess 72 Motor Yacht perfectly combines the elegance and detail of a true motor yacht with the agility and performance of a sports cruisers, making her the most desirable craft of her class.
