Dimensions

Displacement: 42,006

Engines

Total Power:

550 X2

Tanks

Fuel: 500

>Fresh Water: 145

STANDARD FEATURES

STANDARD MAIN DECK:

The standard main deck plan for the 46SX features a galley-down layout. In the salon, a U-settee sits to port surrounding a teak high-low table. Opposite is a straight settee, just aft of the Stidd helm seat. Also in the standard arrangement, a bench seat is located opposite the helm chair, fronted by a built-in chart table. The aft salon door opens to a large cockpit with aft-facing padded seating.

STANDARD LOWER DECK:

Standard lower deck arrangements in this deckplan include a down galley to port that is open to light and air from above, across from a starboard-side guest stateroom with two twin berths and single-door entry. Farthest forward is the master stateroom with queen island berth and private en-suite head with enclosed shower. The guest head opens off the starboard side of the companionway.

Remarkable for a boat of this size, an amazing storage and utility room sits amidships for added storage, tool room, fishing gear, pantry, laundry (with optional washer/dryer).
