Fuel: 1400

Water: 205

Vessel Walkthrough

This mid-sized member of the new Viking family of drier, softer riding Convertibles offers 3 stateroom comfort with the master amidship. It offers the all around performance of a much larger vessel with 1300 MAN's offering an easy 34k cruise and she will do it in head seas as well.

Viking convertibles have become famous for the salon galley layout and the efficient use of space with undercounter refrigeration, pull out storage in cabinets above, and storage under L-shaped dinette and the salon settee.

The stateroom layout features two queens; master amidship with private ensuite head; and centerline queen forward with private access to forward head. Forward head is shared by the starboard stateroom which features upper/lower bunks and private access to the head. A third companionway door allows this to serve as the day head.

- Premier edition decor
- Amtico teak and holly flooring at salon entrance
- New paint by Jarrett Bay (2007)
